MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

THE COVID-19 PANDEMIC AND LOCKDOWN

We are amidst unprecedented times. The COVID-19 pandemic which was declared as a pandemic by WHO on 11th March, 2020 has eventually spread across the world — leading to well around 198,234,951 confirmed infections, over 4,227,359 deaths as per COVID-19 Situation Report of World Health Organisation (WHO) dated 02nd August, 2021, enormous human suffering and a full stop on virtually all commercial and economic activities. Even India, apparently relatively fortunate up to now, has had 31,695,958 confirmed cases and 424,773 deaths as per COVID-19 Situation Report–120 of World Health Organisation (WHO) dated 2nd August, 2021. With lockdowns spreading across countries accounting for over 50% of the world’s gross domestic product (GDP), COVID-19 has caused disruptions on an unimaginable scale. Nobody really knows how long the pandemic will last; and what will be its final toll on lives and livelihood. With the impact of this pandemic still to play out, the scenario of eerily empty high streets, shut factories and stores, and literally millions being rendered unemployed together point to a single outcome — extreme stress for the global economy of the kind not seen since the Great Depression.

Although slowdown in the manufacturing sector and trade tensions between the US and China were among the many factors that softened the economic outlook for 2020, the year did begin on a firm footing. Due to the COVID19 pandemic, the International Monetary Fund has projected a sharp contraction of the global economy to a status much worse than what resulted from the 2008-09 financial crisis.

The global steel industry faced a challenging CY 2021, as demand growth in a few markets was largely offset by declines in the rest of the world. An uncertain economic environment, coupled with continued trade tensions, slowdown in global manufacturing notably auto sector and intensifying geopolitical issues, weighed on investment and trade. Similarly, production growth was only visible in Asia and the Middle East and to some extent in the US, while the rest of the world witnessed a contraction.

INDIAN ECONOMY

India continues to be one of the fastest growing emerging economies in the world. The Indian Iron Industry has an overwhelming presence in the economic life of the country. Apart from providing one of the basic necessities of life, the iron industry also plays a vital role through its contribution to industrial output, employment generation, and the export earnings of the Country.

The Iron and Steel industry is one of the most important industries in India. India was the third largest producer of raw steel and the largest producer of sponge iron in the world along with 2nd largest Manufacturer of Crude Steel and 2nd largest Consumer of Finished Steel (Source: IBEF, Worldsteel, Joint plant committee, Ministry of Coal). Most iron and steel in India is produced from iron ore. The Indian Ministry of Steel is concerned with: the coordination and planning of the growth and development of the iron and steel industry in the country, both in the public and private sectors; formulation of policies with respect to production, pricing, distribution, import and export of iron and steel, ferro alloys and refractories; and the development of input industries relating to iron ore, manganese ore, chrome ore and refractories etc., required mainly by the steel industry

The steel industry has been one of the primary beneficiaries of India’s rapid economic growth over the past couple of decades. However, steel demand remained subdued in year 2021, largely due to lower consumption from construction, auto, infrastructure, real estate, and manufacturing industries. Further, the slowdown in the government’s infrastructure investments and credit tightness impacted demand and consequently weighed on pricing.

The pandemic has undoubtedly affected India, but with the right economic stimulus and the gradual opening up of the lockdown the situation can be expected to improve. Interstate movement of goods is gradually picking up and retail financial transactions are showing a healthy trend.

OPPORTUNITIES, CHALLENGES AND OUTLOOK

OPPORTUNITIES

Industrial growth, means of transport, cemented tall buildings, dams, tunnels, bridges, armaments etc. would not have been conceived and built without iron.

Iron and steel is basis for laying the vibrant Indian industry. Production of steel has come to exist as an index of a country's potential, industrial and economic growth.

The making of iron and steel had been known to the people of India since long. The iron pillar of Delhi is a proof of it and speaks of the quality of steel produced in this country in ancient times. Therefore, all these factors provide us reasons for investing in this industry since demand for iron and steel will never go down as these provide means for laying down basic infrastructures of the country.

THREATS

Based on review of the iron market situation and level of rivalry present in the domestic market, following threats might be present in the market, which can hinder growth of the revenue of the Company:

1. Global recession due to COVID-19 pandemic.
2. A part of iron demand is met by imports which are done at an exorbitant rate.
3. The industry demands huge capital investment
4. The per capita labour productivity of an Indian is far less in comparison to that of Japan and Korea. It is 90-100 tones a year of an Indian worker and 600-700 tones per year in respect of Japanese and Korean workers.
5. Potential utilization rarely exceeds 80%. Strikes, dharnas and lockouts, shortage of raw material, energy and inefficient management adds to under-utilization of this industry.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

INTERNAL CONTROL SYSTEM

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the management team and the Audit Committee for follow-up action.

HUMAN RESOURCE DEVELOPMENT

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation.

Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

CAUTIONARY STATEMENT

The management discussion and analysis report containing your Company's objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operation include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF SHREE VIJAY INDUSTRIES LIMITED

1. Report on the Financial Statements

Opinion

We have audited the standalone financial statements **SHREE VIJAY INDUSTRIES LIMITED** ("the Company"), which comprises the balance sheet as at 31st March 2021, and the statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial

statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREE VIJAY INDUSTRIES LIMITED**, as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.6 Fair Value Measurements

Set out below, is the comparison by class of the carrying amounts and fair value of the Company's Financial Instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Financial Instruments by category	Carrying Value		Fair Value	
	As at March 31,2021	As at March 31,2020	As at March 31,2021	As at March 31,2020

Borrowings	-	-	-	-
Trade Payables	-	-	-	-
Other Financial Liabilities (current)	0.13	2.50	0.13	2.50

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing borrowings and loans are determined by using discounted cash flow method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period.

Long-term receivables/payables are evaluated by the Company based on parameters such as interest rates, risk factors and individual creditworthiness of the counterparty and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.

2.8 Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors and Audit Committee. This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by

appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

(i) Trade Receivables

Customer credit risk is managed by the company based on its established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally reviewed regularly by the management of the company.

An impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low.

(ii) Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the policy.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2019 is the carrying amounts. The Company's maximum exposure relating to financial instruments is noted in liquidity table below. Trade Receivables and other financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in the repayment plan with the Company.

Particulars	As at March 31 2021	As at March 31 2020
Financial assets for which allowance is measured using 12 months Expected Credit Loss Method (ECL)		
Cash & Cash Equivalent	12.58	7.53
Other Non-Current financial assets	-	-
Financial assets for which allowance is measured using Life time Expected Credit Loss Method (ECL)		
Trade Receivable	-	48.42

Balances with banks are subject to low credit risks due to good credit ratings assigned to these banks.

The ageing analysis of trade receivables has been considered from the date the invoice falls due

Particulars	As at March 31 2021	As at March 31 2020
0 to 180 Days due past due date	-	-
More than 180 days past due date	-	48.42
Total	-	48.42

(d) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and liquidity requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits and cash credit facility. Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The Company assessed the concentration of risk with respect to its debt and concluded it to be low.
