## **THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AS UNDER:**

### **1. VOTING THROUGH ELECTRONIC MEANS:**

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and MCA Circulars dated

April 08, 2020, April 13, 2020 and May 05, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting will be provided by CDSL.

II. In compliance with the MCA Circulars and SEBI Circular dated January 15, 2021 and May 12, 2020 respectively, the Notice of the AGM along with the Annual Report 2023-24 has been uploaded on the website of the Company at [www.shreevijayg.co.in](http://www.shreevijayg.co.in). The Notice of the Annual General Meeting along with the Annual Report for the financial year 2023-24 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories. The Notice is also available on the website of the Stock Exchange i.e. MSEI Limited at [www.msei.in](http://www.msei.in). The AGM notice is also disseminated on the website of CDSL (agency for providing remote e-voting and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

III. For members who have not registered their email IDs so far, are requested to register their email IDs for receiving all communications, including Annual Report, Notices from the Company electronically. For any communication, the shareholders may also send requests to the Company's investor email id: [svilttd1984@gmail.com](mailto:svilttd1984@gmail.com)

IV. The Company has appointed M/s JPM & Associates LLP, Practicing Company Secretaries, Ludhiana as the Scrutinizer for scrutinizing the entire e-voting process i.e. remote e-voting and e-voting during the AGM, to ensure that the process is carried out in a fair and transparent manner.

V. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.

#### **THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING ARE AS UNDER:**

- (i) The remote e-voting period begins on Saturday, September 14, 2024 (9.00 a.m. IST) and ends on Monday, September 16, 2024 (5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Tuesday, September 09, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs,

thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

**GLOBAL ECONOMY OVERVIEW:**

Global growth is projected to fall from an estimated 3.5 percent in 2022 to 3.0 percent in both 2023 and 2024. The rise in central bank policy rates to fight inflation continues to weigh on economic activity. Global headline inflation is expected to fall from 8.7 percent in 2022 to 6.8 percent in 2023 and 5.2 percent in 2024. Underlying (core) inflation is projected to decline more gradually, and forecasts for inflation in 2024 have been revised upward.

The baseline forecast is for the world economy to continue growing at 3.2 percent during 2024 and 2025, at the same pace as in 2023. A slight acceleration for advanced economies—where growth is expected to rise from 1.6 percent in 2023 to 1.7 percent in 2024 and 1.8 percent in 2025—will be offset by a modest slowdown in emerging market and developing economies from 4.3 percent in 2023 to 4.2 percent in both 2024 and 2025. The forecast for global growth five years from now—at 3.1 percent—is at its lowest in decades. Global inflation is forecast to decline steadily, from 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025, with advanced economies returning to their inflation targets sooner than emerging market and developing economies. Core inflation is generally projected to decline more gradually. The global economy has been surprisingly resilient, despite significant central bank interest rate hikes to restore price stability. Chapter 2 explains that changes in mortgage and housing markets over the pre-pandemic decade of low interest rates moderated the near-term impact of policy rate hikes. Chapter 3 focuses on medium-term prospects and shows that the lower predicted growth in output per person stems, notably, from persistent structural frictions preventing capital and labor from moving to productive firms. Chapter 4 further indicates how dimmer prospects for growth in China and other large emerging market economies will weigh on trading partners.

While the Western world becomes the epicentre of global tensions, emerging and developing economies are expected to outpace them by growing at 3.9% in 2023 and 4.2% in 2024. Emerging Asian economies led by China and India are bound to grow by 5.3% in 2023 and 5.1% in 2024 respectively.

According to the IMF World Economic Outlook- July 2024, in most economies, the priority remains achieving sustained disinflation while ensuring financial stability. Therefore, central banks should remain focused on restoring price stability and strengthening financial supervision and risk monitoring.

**INDIAN ECONOMY OVERVIEW:**

Strong economic growth in the first quarter of FY23 helped India overcome the UK to become the fifth-largest economy after it recovered from the COVID-19 pandemic shock. Nominal GDP or GDP at Current Prices in the year 2023-24 is estimated at Rs. 295.36 lakh crores (US\$ 3.54 trillion), against the First Revised Estimates (FRE) of GDP for the year 2022-23 of Rs. 269.50 lakh crores (US\$ 3.23 trillion). The growth in nominal GDP during 2023-24 is estimated at 9.6% as compared to 14.2% in 2022-23. Strong domestic demand for consumption and investment, along with Government's continued emphasis on capital expenditure are seen as among the key driver of the GDP in the second half of FY24. During the period April-June 2025, India's exports stood at US\$ 109.11 billion, with Engineering Goods (25.35%), Petroleum Products (18.33%) and electronic goods (7.73%) being the top three exported commodity. Rising employment and increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months.

**Textile Industry****Global Textile Industry**

The global textile market size was valued at USD 1,837.27 billion in 2023 and is anticipated to grow at a compound annual growth rate (CAGR) of 7.4% in revenue from 2024 to 2030. The ever-increasing apparel demand from the fashion industry and the meteoric growth of e-commerce platforms are expected to drive market growth over the forecast period. The textile industry works on three major principles: designing, producing, and distributing different flexible materials such as yarn and clothing. Many processes, such as knitting, crocheting, weaving, and others, are primarily used to manufacture a wide range of finished and semi-finished goods in bedding, clothing, apparel, medical, and other accessories.

### Indian Textile Industry

The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030. Moreover, India is the world's 3rd largest exporter of Textiles and Apparel. India ranks among the top five global exporters in several textile categories, with exports expected to reach US\$100 billion.

The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade.

Textile manufacturing in India has been steadily recovering amid the pandemic. The Manufacturing of Textiles Index for the month of April 2024 is 105.9.

Global apparel market is expected to grow at a CAGR of around 8% to reach US\$ 2.37 trillion by 2030 and the Global Textile & Apparel trade is expected to grow at a CAGR of 4% to reach US\$ 1.2 trillion by 2030.

The Indian Technical Textile market has a huge potential of a 10% growth rate, increased penetration level of 9-10% and is the 5th largest technical textiles market in the world. India's sportech industry is estimated around US\$ 1.17 billion in 2022-23.

The Indian Medical Textiles market for drapes and gowns is around US\$ 9.71 billion in 2022 and is expected to grow at 15% to reach US\$ 22.45 billion by 2027.

The Indian composites market is expected to reach an estimated value of US\$ 1.9 billion by 2026 with a CAGR of 16.3% from 2021 to 2026 and the Indian consumption of composite materials will touch 7,68,200 tonnes in 2027.

India is the world's largest producer of cotton. In the first advances, the agriculture ministry projected cotton output for 2023-24 at 31.6 million bales. According to the Cotton Association of India (CAI), the total availability of cotton in the 2023-24 season has been pegged at 34.6 million bales, against 31.1 million bales of domestic demand, including 28 million bales for mills, 1.5 million for small-scale industries, and 1.6 million bales for non-mills. Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally.

In 2022-23, the production of fibre in India stood at 2.15 million tonnes. While for yarn, the production stood at 5,185 million kgs during the same period. Natural fibres are regarded as the backbone of the Indian textile industry, which is expected to grow from US\$ 138 billion to US\$ 195 billion by 2025.

During FY24, the total exports of textiles (including handicrafts) stood at US\$ 35.9 billion. Exports of textiles (RMG of all textiles, cotton yarns/fabs/made-ups/handloom products, man-made yarns/fabs/made-ups, handicrafts excl. handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 35.90 billion in FY24. In FY24, exports of readymade garments including accessories stood at US\$ 14.23 billion. India's textile and apparel exports to the US, its single largest market, stood at 32.7% of the total export value in FY24.

Exports for 247 technical textile items stood at Rs. 5,946 crore (US\$ 715.48 million) between April-June

(2023-24).

India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

## **OPPORTUNITIES, CHALLENGES AND OUTLOOK**

### **OPPORTUNITIES**

The most significant change in the Indian textile industry has been the advent of man-made fibers (MMF). India has successfully placed its innovative range of MMF textiles in almost all the countries across the globe. The future outlook for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced rapid growth in the past decade.

Opportunities available to the Company in the present scenario, which can be seized for the benefit of the Company and ultimately to the stakeholders, can be summarized as under:

- The government had extended the duty drawback facility on all textile products & increased the rates in some cases to boost exports in the sector.
- In the Union budget, a good amount has been allocated to the Ministry of Textiles in order to support various schemes covering the textile industry. Capacity built over years has led to low cost of production per unit in India's textile industry; this has lent a strong competitive advantage to the country's textile exporters relative to key global peers.
- India's growing population has been a key driver of textile consumption growth in the country.
- The Indian textile industry is set for strong growth, buoyed by both strong domestic consumption as well as export demand. Urbanization is expected to support higher growth due to change in fashion & trends.

### **THREATS**

Based on review of the textile market situation and level of rivalry present in the domestic market, following threats might be present in the market, which can hinder growth of the revenue of the Company:

- Intense competition between established brands and private label brands.
- Low cost substitute products from other countries. Significant presence of small suppliers has reduced the bargaining power.
- Major clothing brands have better bargaining power over textile manufacturers, as the product differentiation is low and numbers of players are high and fragmented.

## **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The financial statements have been prepared in accordance with the requirements of the Companies Act, 2013 and applicable accounting standards issued by the Institute of Chartered Accountants of India. The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Accounts and other financial statements forming part of this annual report.

### **INTERNAL CONTROL SYSTEM**

Given the magnitude and nature of its business, the Company has maintained sound and commercial practice with an effective internal control system. The system ensures that all transactions are authorized, recorded and reported correctly to safeguard the assets of the Company and protect them from any loss due to unauthorized use or disposition. The adequate internal information system is in place to ensure proper information flow for the decision-making process. The Company also has well-established processes and clearly defined roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level

of responsibility and standard operating procedures specific to the respective businesses, adherence to which is strictly ensured. Internal audit is carried out frequently to create awareness and to take corrective actions on the respective units or areas, which need rectification. These reports are then reviewed by the management team and the Audit Committee for follow-up action.

#### **HUMAN RESOURCE DEVELOPMENT**

The Company regards its human resources as amongst its most valuable assets and proactively reviews policies and processes by creating a work environment that encourages initiative, provides challenges and opportunities and recognizes the performance and potential of its employees attracting and retaining the best manpower available by providing high degree of motivation. Your Company believes in trust, transparency & teamwork to improve employees productivity at all levels.

#### **CAUTIONARY STATEMENT**

The management discussion and analysis report containing your Company's objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operation include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the Company conducts business and other incidental factors.

## **INDEPENDENT AUDITOR'S REPORT**

**To,**  
**THE BOARD OF DIRECTORS OF**  
**SHREE VIJAY INDUSTRIES LIMITED**  
**179, INDUSTRIAL AREA-A, LUDHIANA**

### **Report on the audit of the Standalone Financial Results**

#### **Opinion**

We have audited the standalone financial statements of **SHREE VIJAY INDUSTRIES LIMITED** (“the Company”), which comprise the balance sheet as at 31st March 2024, and the statement of profit and loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its **loss**, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Information Other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either

intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion forgery intentional omissions misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances Under Section 143(3)(i)of the Act we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding among other matters the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable related safeguards.

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our

report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the statement of profit and loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) The company does not pay any managerial remuneration for the year ended March 31, 2024. Hence provisions of section 197 are not applicable;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has no pending litigations in the financial statements.
  - ii) The Company has no long-term contracts including derivative contracts.
  - iii) The company has not paid any dividend during the year and is not required to transfer amounts to the Investor Education and Protection Fund.
  - iv) (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note 2 to the standalone financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note 2 to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

## **Annexure - B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **SHREE VIJAY INDUSTRIES LIMITED**, ("the Company") as of 31<sup>st</sup> March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2024, based on the internal control over

financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO ACCOUNTS**

**Note 1**

**A. CORPORATE INFORMATION**

**SHREE VIJAY INDUSTRIES LIMITED** is a listed public company incorporated in India under the provisions of the Companies Act, 1956. The Company is engaged in the Trading of Iron and Steel products.

**B. SIGNIFICANT ACCOUNTING POLICIES:**

**I. BASIS OF PREPARATION:**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under Companies (Indian Accounting Standards) Rules, 2015. Financial statements for the year ended 31 March 2024 have been prepared in accordance with IND AS notified under the Companies (Indian Accounting Standard) Rules, 2015. The financial statements have been prepared on a historical cost basis.

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to nearest Hundreds (INR 00), except when otherwise indicated.

**II. CURRENT VERSUS NON-CURRENT CLASSIFICATION**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**III. PROPERTY, PLANT AND EQUIPMENT**

The company does not have any Property, Plant and Equipment during the year

#### **IV. INTANGIBLE ASSETS**

The company does not have any Intangible assets during the year

#### **V. IMPAIRMENT OF NON- FINANCIAL ASSETS**

The company does not have any Non- Financial Assets during the year.

#### **VI. FINANCIAL INSTRUMENTS**

The company does not have any Financial Instruments during the year.

##### **(i) Financial liabilities:**

##### **Initial recognition and measurement**

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company financial liabilities include loans and borrowings including bank overdraft, trade payable, trade deposits, retention money, liabilities towards services, sales incentives and other payables.

The measurement of financial liabilities depends on their classification, as described below:

##### **Trade Payables**

The company does not have any trade Payables during the year.

##### **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/ loss are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

##### **Loans and borrowings**

Borrowings are initially recognised at fair value, net of transaction cost incurred. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortization process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs

that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### **Reclassification of financial assets:**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

## **VII. INVENTORIES**

### **a) Basis of valuation:**

i) Inventories other than scrap materials are valued at lower of cost and net realizable value after providing cost of obsolescence, if any. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by-item basis.

ii) Inventory of scrap materials have been valued at net realizable value.

### **b) Method of Valuation:**

i) **Cost of raw materials** has been determined by using moving weighted average cost method and comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

ii) **Cost of finished goods and work-in-progress** includes direct labour and an appropriate share of fixed and variable production overheads and excise duty as applicable. Fixed production overheads are allocated on the basis of normal

capacity of production facilities. Cost is determined on moving weighted average basis.

- iii) **Cost of traded goods** has been determined by using First in First out (FIFO) method and comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.
- iv) **Net realizable value** is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

## VIII. TAXES

The company has no Tax expenses during the year for the year.

## IX. REVENUE RECOGNITION

### a) Sale of Goods

The Company recognizes revenue when control over the promised goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is adjusted for variable consideration such as discounts, rebates, refunds, credits, price concessions, incentives, or other similar items in a contract when they are highly probable to be provided. The amount of revenue excludes any amount collected on behalf of third parties.

The Company recognises revenue generally at the point in time when the products are delivered to customer or when it is delivered to a carrier for export sale, which is when the control over product is transferred to the customer. In contracts where freight is arranged by the Company and recovered from the customers, the same is treated as a separate performance obligation and revenue is recognized when such freight services are rendered.

In revenue arrangements with multiple performance obligations, the Company accounts for individual products and services separately if they are distinct – i.e. if a product or service is separately identifiable from other items in the arrangement and if a customer can benefit from it. The consideration is allocated between separate products and services in the arrangement based on their stand- alone selling prices. Revenue from sale of by products are included in revenue.

## X. EMPLOYEE BENEFITS

### (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employee service up to the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

## XI. SEGMENT ACCOUNTING:

The company has only single segment of business. Hence segment accounting is not required.

## **XII. EARNINGS PER SHARE**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares

## **XIII. BORROWING COSTS**

Borrowing cost includes interest and other costs incurred in connection with the borrowing of funds and charged to Statement of Profit & Loss on the basis of effective interest rate.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are recognised as expense in the period in which they occur.

## **XIV. EXCEPTIONAL ITEMS**

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments of subsidiaries, associate and joint ventures and impairment losses/write down in the value of investment in subsidiaries, associates and joint ventures and significant disposal of fixed assets.

## **XV. CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

## **XVI. PROVISIONS AND CONTINGENT LIABILITIES**

### **Provisions**

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

## **XVII. FAIR VALUE MEASUREMENT**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1-** Quoted (unadjusted) market prices in active markets for identical assets or liabilities

**Level 2-** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

**Level 3-** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### E. Corporate Social Responsibility

The provisions of section 135 of Companies Act, 2013 are not applicable on company. Therefore, no disclosure is required to be made under this clause.

#### F. Fair Value Measurements

Set out below, is the comparison by class of the carrying amounts and fair value of the Company's Financial Instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Financial Instruments by category	Carrying Value		Fair Value	
	As at March 31,2024	As at March 31,2023	As at March 31,2024	As at March 31,2023
Cash & Cash Equivalents	521.50	1672.16	521.50	1672.16
Other Financial Liabilities (current)	3545.59	689.40	3545.59	689.40

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing borrowings and loans are determined by using discounted cash flow method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period.

Long-term receivables/payables are evaluated by the Company based on parameters such as interest rates, risk factors and individual creditworthiness of the counterparty and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.

#### Quantitative disclosures of fair value measurement hierarchy as on March 31<sup>st</sup> 2024

**H. Financial risk management objectives and policies**

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of

Directors and Audit Committee. This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

**(i) Trade Receivables**

Customer credit risk is managed by the company based on its established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally reviewed regularly by the management of the company.

An impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low.

**(ii) Financial instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the policy.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2019 is the carrying amounts. The Company's maximum exposure relating to financial instruments is noted in liquidity table below. Trade Receivables and other financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in the repayment plan with the Company.
